

39th Newcastle National Exhibition of Photography - 2021

'Lights Over Lapland' Pam Rixon - Australia

39th Newcastle National Exhibition of Photography - 2021

The 39th Newcastle Exhibition of Photography (Newcastle National) was jointly presented by the Newcastle Agricultural, Horticultural and Industrial Association (**The Show**) and the Newcastle Photographic Society. The Exhibition was approved by the Australian photographic Society.

The 39th running of the Exhibition was judged on 5 December 2020 at the Newcastle Showgrounds. The Exhibition of entries will be held in conjunction with **The Show**, which is planned over the period 5, 6 and 7 March 2021.

The Exhibition was conducted using the MyPhotoClub online entry process, which again proved very successful, empowering entrants to play a greater role in the entry process as well as streamlining the management of accepting and judging entries.

We thank all entrants for supporting this Exhibition. We appreciate the time given by the dedicated volunteers (members of local camera clubs) involved in the Exhibition's planning and execution. Without their support, the Newcastle National would not take place. We also thank **The Show** for their support and use of facilities.

A very special thanks to our judges for this year:

- Neville Foster – GMAPS, EFIAP/b, PPSA, HonFAPS
- Reta Telford – Experienced photographer
- Diane Schofield – Experienced photographer
- Colin Schofield – Experienced photographer
- Jill Helps – Experienced photographer
- Brad Le Brocque – Experienced photographer

For this Exhibition, numbers were slightly down on last year but still a good result given the challenges during 2020. The overall quality of entries continued. This resulted in a high overall score being required to achieve an Acceptance across categories.

We acknowledge the high standard of entries submitted this year and we look forward to exhibiting your high-quality work at **The Show** in March 2021.

We also look forward to your participation again in the 2022 Newcastle National Exhibition of Photography and ask that you encourage your fellow club members, and other photographers in general, to enter next year. This is one of the few “print only” Exhibitions remaining and we need your support to continue the heritage.
